Peaslee Board of Directors

August 2019 Board Meeting

August 22, 2019, 3:00-4:00 p.m., Board Committee Meetings;
Academic Committee – Classroom B,
Executive Committee – Kevin's office,
Finance Committee – Classroom C,
Planning Committee – Hunt Conference Room

August 22, 2019, 4:00-5:30 p.m., Peaslee Tech Directors' Meeting, Classroom C Board Meeting Minutes

In attendance: Shirley Martin-Smith, Cindy Yulich, Cheryl White, Taylor Yoest, Randy Wesemen, Nancy Thellman, Rick Saylor, Sarah Plinsky, Craig Owens, Bonnie Lowe, Lisa Larsen, Marilyn Bittenbeneder, Joe Caldwell, Rick Hird, Pat Slabaugh

Absent: Neil Gaskin, Chris Pandino, Reginald Robinson, Craig Weinaug, Dr. Anthony Lewis, Sandy Dixon, Jessica Beeson

1. Treasurer's Report - Cindy Yulich

Jan-June report - exceeding budget in income and instructional expenses. Income far outweighs by 66%. Expecting \$250,000 in instructional income.

A question was raised about who funded the parking lot and sidewalk improvements. Kevin replied that the Rice Foundation and city funding supplied the necessary funds.

Lisa Larsen asked about GAP accounting as relevant to the McFadden Group's invoice. Cindy Yulich will follow up.

Report motion presented for approval by Cindy Yulich, seconded by Nancy Thellman. Approved with one abstention.

2. Approval of May 9, 2019 Minutes-vote

Minutes presented for approval. Patrick Slabaugh motioned, and Joe Caldwell seconded. Approved with one abstention.

3. Lawrence Public Schools MOU amendment - vote

- Senior Resource Center is moving out on Sept. 3rd. Lawrence School District ABE/GED program is moving to Peaslee in October as part of a five-year agreement
- Request of approval of MOU agreement with Lawrence School District amendment
- Lisa Larsen raised the question: who decides if the agreement is unsuitable. Rick Hird responded that it was the school district who decides but only in the first year.
- Lisa Larsen asked about the contingency about the school district wanting to buy the building. Kevin said that this issue was raised by the school district and that this would not be a problem for Peaslee.
- Cindy motioned that the amendment to the MOU be approved. Randy Weseman seconded. The amendment to the MOU was approved with one abstention.

4. Service Animal Policy -- vote

The new policy states that only certified service dogs may be in the building. Marilyn Bittenbender motioned to approve new policy; Lisa Larsen seconded. Unanimously approved.

5. Academic Committee - Cheryl White

Course catalog looks great. Few edits - on page 9, please identify acronyms (ie. CCNA) and page 12, please provide clarification related to the classification of the Carpentry program. Kevin Kelley replied that this is not an apprenticeship but funded by the Lawrence Home Builders Association.

6. Finance Committee - Cindy Yulich

Follow up on audit (more robust reconciliation needed) - Cindy now signs off on all approvals.

7. Planning Committee - Taylor Yoest

Took a tour of campus improvements including the parking lot and welding lab. Reports that the committee sees good progress, the campus looks great! A discussion of the need to paint the exterior of the building and funding ensued.

8. Updates/Discussion - Kevin

- Campus Activity & Enrollment Report 1,000-1,200 students this year. High school enrollments should go up by 50 and 250 for ABE program. Jan- June- about 6,000 visits to campus. Web inquiries remain high. 9-10 career planning sessions per week.
- KU Solar Car Program -KU wouldn't sign MOU because this is a student organization. Currently working on other options for insurance, etc.
- She Sheds Due to the complexity of the design, scaled back to two. Currently framed. Will be sold and proceeds will go back into program.
- Stewardship Committee Standing agenda item. Need to form concept for committee to facilitate forming committee.
- KBOR Renewal Application has been submitted for 3rd year as a KBOR approved school.

9. Other Business

- Neosho County Community College is phasing out their HVAC program here. They still have welding program. Peaslee has HVAC program and apprenticeships to fill the niche.
- The first group of LMH Health students who are currently medical assistants who have no certification are in a one-year program to earn certification. A second group who are new to the field will begin training soon.
- A recent meeting with the NAACP revolved around the dearth of women and African American men in the trades occurred. The NAACP Education Committee are interested in advertising to reconcile this disparity in Peaslee programs. More meetings to follow.
- Kevin and Shirley met with the Peaslee family. A tour of the facility elicited a positive response regarding Dwayne's vision for the school.
- A partnership between Peaslee and Haskell continues. Kevin reported that Tonia Salvini is interested in this and has announced that Haskell students may attend courses at Peaslee and live in the dorms at Haskell.

10. Adjourn

Marilyn Bittenbender motioned to approve. Pat Slabaugh seconded. Motion approved.

THE DWAYNE PEASLEE TECHNICAL TRAINING CENTER, INC

FINANCIAL STATEMENTS

Accountants' Compilation Report

To the Board of Directors of

The Dwayne Peaslee Technical Training Center, Inc Lawrence, KS

Management is responsible for the accompanying financial statements of The Dwayne Peaslee Technical Training Center, Inc (a nonprofit organization), which comprise the statement of financial position as of September 30, 2019, and the related statements of activities for the quarter and nine months then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's financial position, changes in net assets, and cash flows. Accordingly, these financial statements are not designed for those who are not informed about such matters.

A statement of cash flows for the quarter ended September 30, 2019, has not been presented. Accounting principles generally accepted in the United States of America require that such a statement be presented when financial statements purport to present financial position and results of activities.

Supplementary Information

The supplementary information contained in pages 6-17 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and, do not express an opinion, a conclusion, nor provide any assurance on such supplementary information.

We are not independent with respect to The Dwayne Peaslee Technical Training Center, Inc.

The McFadden Group, LLC

Peaslee Tech Fund Development Committee Proposal Presented to the Peaslee Tech Board of Directors November 14, 2019

By
The Executive Committee

Background

As Peaslee Tech enters its third year as a post-secondary institution, the Board of Directors' Executive Committee recognizes the need for the structured and systematic development of funds to support the sustainability of Peaslee Tech. In recognition of these needs, it is proposed that a Fund Development Committee be formed.

Committee Responsibilities

The Fund Development Committee will be responsible for the development of fundraising activities that engage Board and community members in revenue generating projects. Various fund needs will result from the Fund Development Committee, as well as the existing Board Committees. The Fund Development Committee is not solely responsible for fundraising, rather it works with the Board and community members to raise funds necessary for the sustainability of Peaslee Tech.

Committee Activities

The Fund Development Committee will work with Peaslee personnel, and other stakeholders, to create fundraising projects. Project examples would include, but not be limited to; direct appeal for funds from individuals and organizations, grant identification, and development of alternative funding mechanisms.

Initial Goals

The following would be the initial goals for the Fund Development Committee;

- 1. Tuition Payment Plan Fund as an alternative to traditional education funding, a tuition payment plan would make Peaslee Tech accessible to a wider range of students. The goal for this fund will be \$250,000, to serve as a guarantee to financial institutions that support the program. An additional \$250,000 can be added to the fund from revenues in excess of expenses in fiscal year 2019, bring the total fund to \$500,000. Estimating an average payment plan of \$2,000/student, this fund can support 250 students. As these tuition payment plans will be one-year or less in length, the repayments will sustain the fund. Experience will determine the fund shrinkage.
- 2. Direct Student Aid Fund this fund is to assist student success at Peaslee. The fund would be for; tuition assistance, transportation, and other identified needs. The Development Fund Committee would approve requests for these funds. The initial funding goal would be \$50,000.
- 3. Facilities Maintenance & Upgrade Fund This fund would be for renovations and upgrades to the facilities as identified by the Board Planning Committee. The initial funding goals would be \$100,000.

Peaslee Tech Tuition Payment Plan Pilot Proposal Presented to the Peaslee Tech Board of Directors November 14, 2019 By The Executive Committee

Background

Since Peaslee Tech began offering Kansas Board of Regents approved programs in 2017, we have relied on funding for student tuition through Workforce Investment Opportunity Act (WIOA) funds, Department of Labor (DOL) Apprenticeship funds, employer paid, scholarships, and self-pay. While the WIOA and DOL funds have funded a significant portion of our enrollments, their availability is inconsistent and unpredictable. Additionally, many working adults do not qualify for the federal funds and at the same time cannot afford the out-of-pocket expense of paying the full tuition for a technical program. To support this population, as we as our growth, another revenue stream is needed.

Tuition Payment Plan

A tuition payment plan or tuition installment plan splits college bills into equal monthly or academic term payments. Since the installments are smaller, paying college bills may be easier and more convenient than making a single, larger lump-sum payment.

Most restrict the payments to just the direct costs paid to the college, such as tuition and fees and, in some cases, campus-owned/controlled housing and meal plans.

Most tuition payment plans allow the family to set up an automatic transfer from a bank account to pay the installment payments.

Pilot-Program

Peaslee Tech will earmark \$250,000 in loan guarantees to initiate the pilot. In cooperation with Emprise Bank, Peaslee Tech will offer a monthly tuition payment plan with a term of up to one-year. The payment plan will have a \$35 origination fee and an interest rate of prime plus .25% (prime only if student chooses the auto-debit option). A late fee of 5% of the unpaid portion of the loan if the student fails to make the payment within 10 days following the due date.

The Peaslee Board Finance Committee will review the results of the pilot program at the end of oneyear, from the date of approval by the Peaslee Tech Board of Trustees. In the event the Finance Committee recommends continuation of the program, it will be opened to other banks.

Program Evaluation

The Finance Committee will review the participation rate, default rate, and program completion rate of students participating in the pilot program. From the review, the Finance Committee will make recommendations as to whether the program should continue, and if so, set benchmarks for the metrics reviewed.
