# PEASLEE TECH

### DID YOU KNOW

100% of Peaslee program completers recommends Peaslee Tech, according to Indeed.com reviews.

### PEASLEE TECH IS GREENING UP

Through an agreement with Evergy, Peaslee Tech's electrical usage is completely from renewable sources. Peaslee's electrical use is more than 85% of their total energy consumption. Peaslee has established a goal of zero or negative carbon footprint by 2026. The Evergy agreement has moved Peaslee substantially along the path to their goal.

### SPECIAL EVENTS

On August 25, 2022, Peaslee Tech will be holding a celebration for their employees and board for all that they do.

### Megan's Patch

This beautiful patch of sunflowers was grown from seeds from Megan Gladbach's Celebration of life. She will be greatly missed

## Where are they now?

Robert Hooks

Robert is currently driving for Roehl Transport, Inc. Roehl Transport, Inc is an American Trucking company based in Marshfield, Wisconsin. The company provides national transportation and logistics services. Robert was featured at the Peaslee board meeting in August of 2021, where he gave his testimony about the great experience he had in the CDL program. If you ever come by Peaslee you might see his truck parked out front.
