DID YOU KNOW?

Peaslee Tech was awarded with a 2022 To the Stars: Kansas Business Awards Regional Award in the category of Apprenticeship Champions and Partners in the East Central region. Peaslee was nominated because it has made a noticeable impact in the community.

SPECIAL EVENTS

Peaslee Tech hosted High School Principals and Counselors that service Douglas County students to share about the career options students have after high school and about our pre and youth apprenticeships for high school students.

LHBA Cares Golf Tournament Raises Money for Peaslee Tech

LHBA Cares hosted their annual golf tournament on July 22 to raise money for Peaslee Tech. It was a fun outing with a full player list, strong sponsorship support, and lotsa hole prizes! \$10,000 will be donated to Peaslee Tech as a result of the golf proceeds. This represents the 5th installment of the \$50,000 pledge made to Peaslee Tech's carpentry program when our "Building Together Alliance" was established in 2017.

Governor Laura Kelly Visit

Governor Laura Kelly visited Peaslee Tech on August 17, 2022. Governor Kelly was able to tour the robotics lab, welding, electrical, carpentry, and more. "Institutes like Peaslee Tech play a crucial role in growing our economy and preparing Kansans for success," Governor Laura Kelly said. "By providing students with real-life job experience, technical training centers help build the skilled workforce our state needs to continue attracting businesses like Panasonic."
