SPECIAL EVENTS

Peaslee hosted the 3rd annual Skilled Trades Career Fair for Douglas County High Schools on Thursday, March 23rd.

Peaslee would like to recognize the partnership with the New Car Dealers of Lawrence, KS for the past 5 years. We are grateful for their support and we look forward to many more years of partnership with them.

Partnership with Tenants to Homeowners Association

Peaslee is partnering with Tenants to Homeowners to build small homes inside Peaslee Tech- including installing plumbing, electricity, heating, and air conditioning. The home will then be towed to sites in Lawrence, KS and utilized as affordable supportive services housing for folks experiencing homelessness as part of Tenants to Homeowners' community land trust portfolio.

Congratulations to these students who competed in the Douglas County Youth Entrepreneurship Challenge on Feb. 24, at [Peaslee Tech!](#) From left: Karly Neufeld, first-place award winner, \$1,250, of Baldwin High School; Charlie Andrade, second-place winner, \$750, of Free State High School; and Phoebe Ulbrick, third-place winner, \$500, of Bishop Seabury Academy.
