SPECIAL EVENTS

Peaslee hosted the Douglas County Youth Entrepreneurship Challenge (YEC) on February 16th. This competition provides students grades 6-12th with hands on experience and a chance to win some cash for their business ideas.

Lawrence Acacia Lodge #9 donated their 7th annual donation of \$5000 (in memory of W. Tom Breyley) to Peaslee Tech.

Peaslee had the privilege to build a ramp for a Veteran in need. The construction was done by Richard Easter, Elijah Houston, Eric Workman, and Waylon Suttles. The drawings were done by Charlie Lauts. All materials were donated by Home Depot, and this was organized by Amy Woodbury. We were honored to be able to assist in this wonderful project.
