Lubrication and Tire Tech

To enroll, or for more information, call 785-856-1801 or visit our website peasleetech.org and click on **PEASLEE PROGRAMS**. This program is approved by the **Kansas Board of Regents**

This course introduces the basic skills and knowledge required by entry-level Tire and Lubrication Technicians in the automotive industry. In addition to job task training, you will learn essential shop safety, effective customer/co-worker communication and vehicle service information. Hands-on practice in automotive skills pertaining to basic vehicle inspections, lubrication, engine oil and filter replacement as well as tire service, repair, and replacement.

Prerequisite: High School Diploma or Equivalent

Program is 20 class/hands on training. Cost is \$288, financial assistance is available.
