This program is approved by the Kansas Board of Regents

This course is designed to bring the student proficiency level needed to pass the required examinations. The course includes modules which will enable beginning court reporters to enter the field with a board understanding of the profession. Three speed tests with 95% accuracy in each category/level are required in Literary, Jury and QA to advance to the next speed level and to graduate. This course provides the content to prepare participants to set for the Kansas State Board of Examiners of Court Reporters certification examination.

Prerequisite: High School Diploma or Equivalent

Program is 230 class hours. Cost is $3980, financial assistance is available.
